

QDialog

```
classDiagram
    class QDialog
    class ProgrammmationTache
    ProgrammmationTache --|> QDialog
```

The diagram illustrates a class hierarchy. At the top is a box labeled 'QDialog'. Below it is a box labeled 'ProgrammmationTache'. A blue arrow points from the 'ProgrammmationTache' box up to the 'QDialog' box, indicating that 'ProgrammmationTache' inherits from 'QDialog'.

ProgrammmationTache
